

# MEN BEHAVING

REFLECTIONS UPON THE SILVER ANNIVERSARY:  
LAST THURSDAY BOOK CLUB OF ALBUQUERQUE

What a creative historical collection! This compilation of memories--whether in poem or prose form--provides multiple snapshots of the lives, experiences, and reflections of a group of American patriots. This book provides insight to the minds of men who have lived long, fruitful, and sometimes-dramatic lives. Highly recommended.

*--Joseph Badal, Author of the Award-Winning **Danforth Saga***
